

Tuition Initiative ***For families with a child/children in K through 8***

Reduce your tuition by \$500.00*

John Paul II Academy recognizes parents/guardians as the primary educators of their children and seeks to partner with them to provide students with excellent opportunities for spiritual, academic, emotional, and social growth. We value the uniqueness of each child. Our program is centered on Catholic Christian values and promotes the teachings of the Catholic Church through a flexible curriculum that emphasizes essential elementary principles enriched by the arts and technology. The spiritual and academic programs meet or exceed established standards and prepare students to be lifelong learners.

We encourage you to share our Mission with others and invite them to become part of our school and parish communities. Each family that you invite to be a part of our school community and enrolls for the upcoming school year (no matter the number of children in the family), you will receive a \$500.00 tuition discount*.

***Guidelines for tuition reduction:**

- Incoming family must have completed all registration requirements
- Incoming family must remain in the school for at least one half of the school year.
- Recommending family must remain financially current.
- The \$500.00 per family reduction will be taken from the final tuition payments for the current school year. In the event that you have a multiple discount based on acceptance of more than four families attending under your invitation, a refund check to you, if applicable, will be made in May of the current school year.
